+USSR REPUBLIC DISTURBANCES -- Responding to intense Community interest in the latest round of ethnic violence in the Soviet republics of Armenia and Azerbaijan, the FBIS bureaus in London and Nicosia have intensified their monitoring efforts of the Armenian and Azeri language broadcasts, resulting in a significant volume of material from these languages being disseminated via the FBIS Wire Service to high-level consumers. FBIS has also intensified coverage of the Estonian media, reporting key speeches and developments in the ongoing confrontation with Moscow over the sovereignty issue. (C)
